employees/retirees shall be assessed the difference between the agreed upon District maximum contributions (“the District CAPS”) as listed below and the actual plan cost, which is commonly referred to as the employee/retiree buy-up cost for the programs. Assessments shall be made through payroll deductions for active employees and monthly contributions paid by retirees. It is recognized that the District’s payroll department will need to adjust employee payroll deductions in light of the increase in the District contribution amount.

- 2.312 District Annual Contributions for Active Employees enrolled in health insurance plans through a District sponsored insurance plan, effective October 1, 2025, are as follows:

Premium costs for plans that exceed the maximum contribution will be paid by an employee selecting such a plan through individual payroll deductions.

- 2.313 District Annual Contributions for Eligible Retirees, enrolled in health insurance plans through a District sponsored insurance plan, effective January 1, 2015, are to be the same as the contributions for active employees enrolled in health insurance plans through a District sponsored insurance plan less the cost of life insurance which is not provided to retirees.
- 2.314 “Eligible employees” refers to active employees assigned on a full time basis of 50% or more of a FTE. Employees approved to work under the provisions of Article 16, Shared Contract, share one teaching position/benefit package which includes one benefit package designation. “Eligible dependents” shall be defined as legal spouse, legal domestic partner, or a child/stepchild up to 26 years of age if not eligible for an employment-based health insurance program or a qualified disabled dependent due to medical necessity. These retirees do not have dependent coverage, however such retirees may purchase dependent benefits at the actual additional cost of such benefits.

2.318 Active employees and eligible retirees with dependent benefits shall have the option of paying the additional cost above the maximum amounts set forth above for any plan offered through the District for themselves and/or their dependents. The cost of the buy up for retirees shall be based on the difference between the CAP amounts in section 2.313 and the cost of the plan selected by the retiree plus dependent costs.

Both parties agree to fully cooperate in preparation of data for RFP's and evaluation of responses. Such benefits committee decisions shall be decided by unit vote of the District representatives and the Association representatives. The committee shall not make any decision that would cause the cost of benefits to be above the negotiated maximums set forth in the Agreement. In the event of a deadlock the matter shall be presented to binding arbitration. The arbitrator shall have no authority to make a decision that would cause the cost of benefits to be above the negotiated maximums ("the District CAPS") set forth in the Agreement.

2.612 Unpaid Leave of Absence--An approved unpaid leave of absence shall not constitute a break in service, but shall not count as District service credit toward the consecutive years of service requirement for Retiree Health and Welfare benefits.

Unit members employed by the District on or after July 1, 1991, must have fifteen (15) years of continuous service in the District and qualify for retirement under the State Teachers Retirement System in order to be eligible for retiree health and welfare benefits as provided in section 2.710.

2.712 Benefits for Future Retirees Who Have 15 years of Service with the District or Who Have 10 Years of Service with the District.

Future retirees aged 55 to 65 who have 15 years of service with the District or those hired prior to June 30, 1991 who have 10 years of service with the District, who do not have lifetime health and welfare benefits shall be provided single coverage subject to the District Annual Contributions for single coverage for eligible retirees per Article 2.313 during the period of their retirement ages 55 to 65, however, this shall not be a vested benefit. Retirees eligible for this single coverage benefit for their retirement ages 55 to 65 may at open enrollment elect to release this benefit for payment by the District of \$1,000.00 per year with maximum cumulative payments of \$10,000.00.

2.713 Benefits for Eligible Retirees Retiring Prior to September 1, 1997

The health and welfare benefits (with the exception of life insurance) for eligible retirees shall be at least equivalent to those for active employees and shall be limited to those programs offered by the District.

2.714 In lieu of paying the cost toward a District-selected medical insurance program under section 2.712 above, the District may, at its sole discretion, pay the cost toward comparable Medicare coverage for eligible retirees who qualify for Medicare, whichever is the lesser amount.

2.720 Surviving spouses of retirees may participate in the Health Plan provided by the District at his/her own expense as required by state and federal statutes and/or regulations.

ARTICLE 2: COMPENSATION – continued

2.800 Early Retirement

2.810 The District may, at its sole discretion, maintain programs for early retirement and pre-retirement part-time employment as set forth in Appendices D1, D2, D3, and D4.

The District at its sole discretion may implement a retirement incentive program. If implemented, it must be made available to all bargaining unit members meeting the eligibility requirements.

2.820 Unit members who desire to participate in early retirement programs offered by the District must submit their letter of intent to the District in accordance with time lines set forth by the Human Resources Office each year.

2.900 Extended Work Day Compensation

2.910 Emergency Service Compensation

In the event a unit member is requested by the Superintendent or designee to work beyond the normal work day or work week to repair an instructional area due to fire, flood or vandalism, the unit member shall be paid the miscellaneous rate to a maximum of eight (8) hours.

2.920 Additional Service Compensation

Unit members shall not be required to perform additional duties during preparation time. Should unit members volunteer to perform such duties, those additional duties that require the loss of preparation time shall be compensated at the miscellaneous hourly rate of pay and shall be paid upon notification and accounting of the time lost. Additional duties before and after the work day must have the immediate supervisor's approval and are paid at a rate equal to the miscellaneous hourly pay.

2.930 Substitute Service Provision

Unit members who voluntarily provide substitute service shall be paid at the miscellaneous hourly rate of pay, as outlined in Article 2.3000. However, any time worked beyond forty-five minutes shall be credited as having worked one (1) full hour and, at a minimum, any time worked shall be credited as one-quarter (1/4) hour of work.

2.1000 Hourly Salary/Rate of Pay

“Hourly salary” or “hourly rate of pay” shall be determined for unit members as follows:

2.1010 Unit members assigned to an elementary work site shall have their annual salary divided by the number of annual work days, with that quotient divided by six.

2.1020 Unit members assigned to the secondary schools shall have their annual salary divided by the number of annual work days, with that quotient divided by the number of teaching periods. (Senior High has five (5) teaching periods. Middle and Continuation School have six (6) teaching periods.)

ARTICLE 2: COMPENSATION – continued

Example: IF: Work days = 185, Annual salary = \$45,000, Teaching periods = 6.
THEN: Hourly salary/pay rate = \$45,000, divided by 185 divided by 6 = \$45.54.

2.1030 Unit members assigned to alternative education programs, including but not limited to independent study, home school, and virtual schools, shall have their annual salary divided by the number of annual work days, with that quotient divided by the number of teaching periods assigned by the District (i.e. five (5) or six (6) teaching periods).

2.2000 Miscellaneous Hourly Rate of Pay

“Miscellaneous Hourly Rate of Pay,” as referred to in this agreement shall be defined as .08% of Step 1, Column A salary on the Teacher/Nurse Schedule. “Step 1” as listed in this provision shall not be confused with the “Entry Level Salary. Example: If, Step 1, Column A were \$45,000, then the Miscellaneous Hourly Rate of pay would be \$36.00, calculated as follows: \$45,000 x .0008 = \$36.00.

2.3000 The unit member may request to have his/her salary or a portion of his/her salary electronically transferred to a financial institution of his/her choice. If the County Department of Education offers electronic transfer of salary to a financial institution of the unit member’s choice, the District will provide this option to unit members as provided by County regulations.

2.4000 Stipends, extra duty remuneration, and overtime pay of salary shall be paid to the unit member in a manner so as to legally minimize the effect of additional taxation due to increased compensation in any pay period(s).

2.5000 Mileage

Unit members will be eligible for mileage reimbursement at the current maximum IRS reimbursement rate according to the established practices of the District for such reimbursement. In addition, reimbursement will be available for “Open House,” “Back-To-School” and supervision duties which require a unit member to return to school in the evening and which are not compensated by listed stipends. Claims for mileage expense over \$10.00 in a quarter may be filed on a calendar month basis. Claims less than \$10.00 in a quarter may be filed on a calendar quarter basis.

ARTICLE 3: LEAVES

3.100 Educational Leave

- 3.110 Unit members may request leave to attend an educational class, to teach an educational class or to serve as a resource person. Unit members may be excused from regular duty to attend educational conferences, extra curricular conferences or attend an educational class subject to the conditions outlined in 3.120 to 3.124.
- 3.120 The Superintendent, or designee, may approve such leave based upon the below-listed criteria:
 - 3.121 The benefit which would result to the Orange Unified School District and/or public school education.
 - 3.122 The procedure for replacement or assumption of responsibility during the unit member's absence.
 - 3.123 The amount of released time required; and
 - 3.124 Financial compensation, if any, to be received by the unit member.

3.200 Personal Illness and Injury Leave

- 3.210 Unit members shall be entitled to be absent, with pay, from duty due to personal injury, illness or disability related to pregnancy.
- 3.220 Full-time unit members shall be granted sick leave in accordance with the Orange Unified School District sick leave table. (Appendix G-A and G-B)
 - 3.221 These days shall be granted and shall become effective on the first day of the school year and may be used at any time during the specified work year period.
 - 3.222 These days shall accumulate pursuant to state law.

3.230 Verification

- 3.231 Unit members shall verify their absence was due to illness. Such verification may include the completion of a "Monthly Attendance Report" once per month on or before a date established by the District.
- 3.232 The District may require after an absence of five (5) or more work days, verification of the unit member's illness through verification by a physician or licensed health advisor. Such verification may be requested by a physician or licensed health advisor chosen by the District. This verification shall be at District expense.

When the District's physician or licensed health advisor's opinion is different from that of the employee's physician, the matter shall be turned over to an independent panel of physicians as designated by the Orange County Medical Association or like agency. From the panel of physicians, each party shall

ARTICLE 3: **LEAVES – continued**

alternately strike a name until only one remains. The order of strike shall be determined by lot.

Cost incurred by this process shall be borne by the District.

3.240 Extended Illness or Injury/Disability

When the unit member is absent from duty due to illness or injury for a period of five (5) school months, or less, whether or not the absence arises out of, or in the course of employment, the amount deducted from the salary due the unit member for that month in which the absence occurs shall not exceed the sum actually paid a substitute employee employed to fill the position during the absence, or, if no substitute was employed, the amount which would have been paid to the substitute. Such payments shall conform with the established procedures of the Orange County Department of Education.

3.241 The District shall make every reasonable effort to secure the services of a substitute employee.

3.242 The five (5) month period shall commence with the first work day after the unit member's accumulated sick leave has been exhausted.

3.243 If the unit member is unable to return to work at the end of the five (5) month period, the unit member shall automatically be placed on an unpaid medical leave until such time as the unit member is judged able by the unit member's physician or other licensed health advisor to return to work. Such medical leave shall be in accordance with medical leave provisions of this Article and runs concurrently with placement on the reemployment list pursuant to Education Code section 44978.1.

3.244 Any unit member may utilize the above-listed leave for the purpose of a disability related to pregnancy, miscarriage, childbirth and the recovery therefrom. The length of such leave, including the date on which the leave shall commence and the date on which the unit member shall resume duties, shall be determined by the unit member and the unit member's physician, provided that such verification assures the District that such leave is for a disability and is not just for the purposes of child care or any purposes other than pregnancy related disability. Such pregnancy disability leave with pay shall be granted and administered in the same manner as any other temporary disability for illness or injury.

3.250 Sick Leave Sharing

An employee who has an accumulated sick leave balance of more than thirty (30) days, may request the Director of Human Resources to transfer a specified amount of sick leave to another employee authorized to receive leave. Such transfer request must be made in writing. In no event may an employee request a transfer that would result in his/her sick leave accumulation going below thirty (30) days. Such a transfer of leave

ARTICLE 3: **LEAVES – continued**

days must be made for the benefit of an eligible employee and, once transferred, is irrevocable.

In order to be eligible to receive donated leave under this program, the “receiving” employee or family member (as defined in section 3.520) “must”:

- a. Suffer from an illness or injury expected to incapacitate the employee (or family member) for an extended period of time which creates a financial hardship for the employee because he/she has exhausted all available paid leave entitlement.
- b. Provide verification of catastrophic injury or illness as required by the District.
- c. Have exhausted all accrued paid leave credits.
- d. Have been found ineligible for benefits under worker’s compensation.

An employee who needs additional sick leave and believes he/she meets the eligibility requirements outlined above shall contact either the Assistant Superintendent of Human Resources or the OUEA President to make his/her formal request for sick leave sharing contributions.

Transferred days shall be deducted from the employee’s sick leave accumulation and will be credited to the sick leave accumulation of the employee to whom the days were transferred. The value of the leave transferred shall be based upon the leave value of the person receiving the leave. In situations where more than one (1) employee is offering to transfer sick leave to another employee, sick leave transfers shall be implemented in an equitable manner.

The maximum benefit to be received by any employee for any single catastrophic illness or injury is twelve consecutive months.

Any employee who received paid leave pursuant to this program shall use any leave credits that he/she continues to accrue on a monthly basis before receiving paid leave pursuant to this sick leave sharing program.

3.260 Notification

Employees shall notify the District in advance of any leave. Employees who will be absent from duty for any reason which does not require advance approval by the District must notify the District substituting reporting system of their absence. Employees who require a substitute must notify the District substituting reporting system as soon as the need to be absent is known. Whenever possible, the notification shall be made no less than two (2) hours prior to the start of his/her workday.

3.300 Bereavement

- 3.310 Unit members shall be entitled to paid leave for purposes of out-of-school presence due to the death of any member of the immediate family.

ARTICLE 3: **LEAVES – continued**

3.320 Unit members are allowed on a per occurrence basis, up to three (3) days of paid leave or five (5) days total if travel of more than 400 miles is required. Additional days may be granted by the Superintendent or his/her designee.

3.330 Immediate family means: mother, father, grandchild, grandmother or grandfather of the unit member or the spouse of the unit member; the spouse of the unit member; the son, son-in-law, daughter, daughter-in-law, brother, brother-in-law, stepchild, sister or sister-in-law of the unit member; or any relative or close personal friend living in the immediate household of the unit member. Upon request, an uncle, aunt, niece, or nephew may be added to the definition of immediate family for purposes of bereavement leave by the Superintendent or designee when an “in loco parentis” relationship between the unit member or unit member’s spouse and the relative had existed. The Superintendent or designee may request additional information from the requestor in order to process such request.

3.400 Child Care Leave

3.410 Unit members may be eligible for leave for the purpose of preparing for or the caring of a newly born or newly adopted child pursuant to Section 3.1160. Additional leave may be available pursuant to Sections 3.420 and 3.430. If leave is taken under Sections 3.420 and/or 3.430, such leave shall run concurrently with leave taken pursuant to Section 3.1160.

3.420 One (1) day paid leave shall be granted unit members solely for the birth or adoption of a child. This will be in addition to other leaves and will be non-cumulative and will be granted provided the unit member was in paid status both the day before and the day after the birth or adoption.

3.430 Up to one (1) year leave, without pay, shall be granted, upon request, to unit members to prepare and care for a newly born or newly adopted child; provided such leave request is made at least fifteen (15) work days prior to the requested beginning date and provided further that such commencement date coincides with the best interests of the instructional program.

3.500 Personal Necessity Leave

- b. Because of the placement of a child with the employee for foster care or in connection with the employee's adoption of the child.
- c. To care for the employee's immediate family member with a serious health condition.
- d. Because of the employee's own serious health condition that makes the employee unable to perform the functions of his/her position.

3.1062 Definitions

For purpose of this Article, "child" means a biological, adopted or foster son or daughter, a stepson or stepdaughter, a legal ward or a child of a person standing in loco parentis as long as the child is under 18 years of age or an adult dependent child.

ARTICLE 3:

LEAVES – continued

“Parent” means a biological, foster or adoptive parent, a stepparent, a legal guardian, or other person who stood in loco parentis to an employee when the employee was a child.

“Immediate family” as defined in the Collective Bargaining Agreement Section 3.330.

“Serious health condition” means an illness, injury, impairment or physical or mental condition that involves either: inpatient care in a hospital, hospice or residential health care facility; or continuing treatment or continuing supervision by a health care provider.

3.1063 Duration of Leave

Family care and medical leave shall not exceed 12 workweeks during any 12-month period. The 12-month period for calculating leave entitlement shall commence on the date the employee’s first family care or medical leave begins. The 12 weeks of family care and medical leave to which an employee is entitled under state law shall run concurrently with the 12 weeks of family care and medical leave to which an employee is entitled under federal law, except for any leave taken under federal law for disability on account of pregnancy, childbirth, or related medical conditions.

Leave taken for a birth, or placement for adoption or foster care, must be concluded within one year of the birth or placement.

3.1064 Terms of Leave

During the period of family care or medical leave, the employee shall use his/her other accrued time off, or any other paid or unpaid time off negotiated with the District.

If an employee takes a leave because of the employee’s own serious health condition, the employee shall substitute accrued sick leave and/or differential leave during the period of the leave taken pursuant to this Article.

3.1065 Maintenance of Benefits

During the period of family care or medical leave, the employee shall continue to be entitled to participate in the District’s health plan and the District shall continue to pay health care premiums under such plan on the same terms as if the employee had continued to work during the period of the leave. Any premium payments required to be made by the employee must be paid at the same time as they would have been due by payroll deduction.

The District may recover health insurance premiums paid on behalf of the employee during the period of the family care or medical leave, if both of the following conditions occur: The employee fails to return from leave after the period of leave to which the employee is entitled has expired and the employee’s failure to return from leave is for a reason other than the continuation,

recurrence, or onset of a serious health condition that entitles the employee to leave under state or federal law or other circumstances beyond the control of the employee.

3.1066 Advance Notice of Leave

If an employee learns of the need for family care or medical leave more than 30 days before the leave is to begin, he/she shall give the District at least 30 days advance notice or as soon as practical. If leave is needed for a planned medical treatment or supervision, the employee shall make a reasonable effort to schedule the treatment or supervision to avoid disruption of District operations. If leave is taken intermittently or on a reduced leave schedule, the District may temporarily transfer the employee as permitted by law.

3.1067 Certifications

An employee's request for leave shall be supported by a certification from the health care provider of the person requiring care. This certification shall include:

- a. The date, if known, on which the serious health condition began; and
- b. The probable duration of the condition.

In addition, if the request for leave is to care for a family member, the certification shall include an estimate of the amount of time the employee needs to care for the person requiring care and a statement that the serious health condition warrants the participation of a family member to provide care during the period of the leave. If the request for leave is based on the employee's own serious health condition, the certification shall include a statement that, due to the serious health condition, the employee is unable to perform the functions of his/her position.

If the employee is requesting leave for intermittent treatment or leave on a reduced leave schedule for planned medical treatment, the certification must also state the medical necessity for the leave, the dates on which treatment is expected to be given, the duration of the treatment and the expected duration of the leave.

In any case in which the District has reason to doubt the validity of any certification provided to support an employee's request to take leave because of the employee's own serious health condition, the District may require the opinion of a second and third health care provider consistent with state and federal law.

3.1068 Reinstatement/Non-Discrimination

Upon granting an employee's request for family care or medical leave, the District shall reinstate the employee in the same or a comparable position when the leave ends to the extent required by law.

ARTICLE 3: **LEAVES – continued**

In accordance with law, the District shall notify employees of their right to request family care and medical leave.

3.1100 Rights Upon Return

An employee on a leave and replaced by a substitute may be returned to the assigned position held prior to taking a leave if circumstances permit or, upon consent of the employee, to another vacant position for which the employee is qualified. Upon notification of the employee's intent to return, the employer shall inform the employee of the web address for current position vacancies on the District website. If conditions permit, the employee may be assigned to a position similar to that held prior to leave. Until the time the employee is reassigned from leave status, the employee may apply for reassignment to any vacancy, and may indicate preferences to the Human Resources Office for reassignment beyond current vacancies. The employee shall be notified of reassignment from leave status as soon as such reassignment is made by the Human Resources Office. Leaves of absence as specified in this Article shall be limited to tenured teachers in the District with the following exceptions: educational leave, sick leave, court summons leave, jury leave, maternity leave, bereavement leave and industrial accident/illness leave.

4.100 Definition

4.110 Transfer

A transfer is a change in school or work site but within a position classification in a field covered by the unit member's credentials. All transfers shall be made for just cause.

4.115 Reassignment of Unit Members

Site-based

Reassignment is a change of teaching assignment, such as grade level, subject (e.g. English to mathematics), or change from a specialized site-based assignment (e.g. media specialist to classroom teacher) at the same worksite.

District-based

For District-based programs (e.g. special education, related services, instructional support, and elementary VAPA), reassignment is a change of assignment within the total District-based program.

Other

The terms reassignment and/or reassigned are also used in return from leaves (3.1200), movement from an administrative position to unit position (4.130), changes resulting from layoff (4.700), and changes due to program reduction/elimination (4.720). The meaning of such terms may vary depending upon the context in which they are used.

4.120 Seniority

For the purpose of this transfer section, the term seniority shall be defined as the first date of paid service as defined by the Education Code for lay off purposes. The District shall maintain a current seniority list.

4.130 For purposes of this section, any administrative person who is reassigned to a unit position shall have equal rights and opportunities for transfer under these provisions when being reassigned into the bargaining unit.

4.200 Voluntary Transfer Requests

4.210 All certificated vacancies including special requirements for each vacancy as established at the school site or department for which the District will be interviewing, shall be posted on the District Website. Available positions will remain posted until their close dates.

4.220 Said posting(s) shall specify a reasonable deadline date for filing requests for transfer and such vacancies shall not be filled prior to the expiration of the aforesaid deadline date.

ARTICLE 4: **TRANSFERS – continued**

- 4.230 Unit members shall be permitted to request transfers to any position within their classification and credential. Voluntary transfers to vacancies shall be made on the following basis:
- 4.231 The educational welfare of pupils.
- 4.232 The qualifications of the staff member as compared to the requirements of the position.
- 4.233 When the qualifications set forth in the vacancy posting are deemed equal, then seniority, as defined above, shall be used to break ties.
- 4.234 A record shall be maintained which would demonstrate the basis for making a selection of the employee(s) filling vacancy(s). Such record shall be maintained for a period of 25 days following the filling of the position.
- 4.240 Permanent unit members may request a voluntary transfer to a specific posted vacancy or an “eligibility list” as noted below within the posted time limit on the posted notice. Regular education TK- grade 6 "eligibility lists" for a single grade level, or ranges of elementary grade levels, may be posted rather than posting one or more specific TK-6 elementary school vacant positions. Transfer requests must be on the District Transfer Request form. Permanent unit members submitting a transfer request to an eligibility pool shall clearly state on the form the unit member's desired school(s) and grade level(s) for possible transfer.
- 4.241 The request shall be valid until the posted position is filled or not needed.
- 4.242 Transfer forms shall be made available on the District Website.
- 4.243 The transfer request shall bear the signature of the unit member’s present administrator. Such signature is an acknowledgment only that the administrator has been informed of the unit member’s desire for transfer consideration.
- 4.244 Transfer requests may be withdrawn by the unit member at any time.

- 4.246 Unit members who have submitted transfer requests for two (2) consecutive years, and have not obtained a transfer, may request an individual conference with the Superintendent or designee and receive reasons why a specific transfer, for which the applicant interviewed, has been denied. The unit member may have an Association representative present.
- 4.247 Permanent unit members applying for transfer who have the appropriate credential will be given an interview. Permanent unit members who complete and submit a timely voluntary transfer form to a District-wide elementary eligibility list will be offered an interview when an actual vacant position is determined to be at a school and grade level which the unit member indicated in

writing as a desired position on the District Transfer Request form, as determined by the District.

4.250 The District shall provide moving assistance by providing authorized supplies and materials to assist the unit member.

4.300 Mutual Exchange of Positions

A unit member may initiate an exchange of assignment for one school year, providing there is agreement with the involved site and Human Resources administrators and the exchange unit members. At the conclusion of the school year, if all parties agree, the exchange of assignment shall become the current assignment of the exchanged unit members.

4.400 Involuntary Transfers

4.410 No unit members shall be involuntarily transferred if another unit member at that work location volunteers and is subsequently transferred. Unit members who have an Overall Performance Summary of Unsatisfactory on their most recent Final Evaluation and Rating Form are not eligible to volunteer. Should a vacancy occur at the same work location for which the unit member to be involuntarily transferred is qualified, no involuntary transfer shall be made.

4.420 Involuntary transfers may be made for the following purposes: the balancing of certificated staff of the District or a school by considering the necessity of factors such as experience, a change of enrollment necessitating addition, transfer or deletion of staff; and the improved efficiency of the District. The District will not involuntarily transfer a unit member in an arbitrary or capricious manner, or without a reasonable basis in fact.

4.430 When selecting unit members to be involuntarily transferred, the selection by the District shall be based upon:

4.431 The purposes as stated in 4.420;

4.432 The unit member's area of competence, including experience in the subject area, credential, major and minor area of study, and the qualifications of the staff member as compared to the requirements of the position.

4.433 When the above are equal when applied to two (2) or more potential transferees, then the deciding factor shall be seniority in the District.

4.440 The building administrator shall utilize the following criteria when identifying unit members for potential involuntary transfer. Unit members who have an Overall Performance Summary of Unsatisfactory on their most recent Final Evaluation and Rating Form are not eligible to volunteer in the process described in Step 1 or 4 below, nor bump others in the process described in Step 3 below:

Step 1:

ARTICLE 4: **TRANSFERS – continued**

The principal/supervisor shall identify the grade/department to be reduced. Regular elementary classroom teachers at a school site are considered to be in the same grade/department for purposes of involuntary transfer. The principal/ supervisor shall make a written request of all unit members, through the daily bulletin or electronic mail from the principal/supervisor or designee, asking if they would volunteer to be involuntarily transferred. If there are volunteers, they shall be transferred.

Step 2:

If there are no volunteers, the principal/supervisor shall determine which person in the grade/department to be reduced has least seniority in Orange Unified School District. Elementary criteria for regular grade level classroom teachers to be based on District seniority.

Step 3:

The unit member identified above shall be transferred unless he/she has experience in the District in another grade/department. He/she can “bump” a person with less seniority. This process can be repeated several times. Ties at Step 2 and Step 3 are to be broken by lot.

Step 4:

Involuntary transfers shall be determined by the foregoing steps, except, if a principal/supervisor designates yearbook, school newspaper, activities director, coach of an athletic team, pep squad, and specialized instructional programs for which additional related training was completed, such as International Baccalaureate, Advanced Placement/Honors/GATE, Academy, Computers/Technology, English Learners, Dual Immersion, Magnet.

If this selection alters the process outlined above, then these steps shall be followed:

- a. When a unit member, who provides the unique service is designated for transfer by step 2 above, then the following steps (b-d) shall apply:
- b. Every unit member teaching in the same grade or department which is designated to be subject to involuntary transfer at the site affected would receive a written notice through electronic mail from the principal/supervisor or designee asking if they would like to perform the designated unique service.
- c. If, there is a qualified* volunteer, then the volunteer shall perform the unique service and the least senior employee as determined by Step 2 above shall be transferred.
- d. If no qualified volunteer can be found, then the more senior employee not designated to provide the unique service shall be transferred.

*A qualified volunteer is one who can demonstrate competence for the position or who has requisite paper certification or confirmation of an ability to perform the service.

ARTICLE 4: **TRANSFERS – continued**

- 4.450 If an involuntary transfer is deemed necessary, the unit member designated for transfer shall be given a choice of all open positions in the District which qualify under the criteria in 4.430 above. The unit member may request the positions, in order of preference, to which the unit member desires to be transferred.
- 4.451 Unit members who are involuntarily transferred for any reason outlined in this Agreement and, once having selected a building assignment at the new location, shall not have their teaching assignment altered in any manner during the first school year following said involuntary transfer, unless requested by the unit member or, unless it is administratively impossible to maintain the position as selected.
- 4.452 If the administrator/ supervisor of a building deems it necessary to alter the selected assignment, the District shall send written notification to the affected member and the Association as soon as possible, outlining the need to make the change. The affected member and/or his/her representative may request to meet with the administrator/supervisor to discuss the necessity for the change.
- 4.460 A unit member subject to an involuntary transfer may request a meeting with the Superintendent or designee(s) and the immediate supervisor at which time the unit member shall be notified in writing of the reasons for said transfer. The unit member shall be given an opportunity to discuss alternate methods for meeting the needs of the District. The unit member may have an Association representative present at such meeting.
- 4.470 The District shall place a form letter in the personnel file of the involuntarily transferred unit member stating the reasons for the transfer and that the transfer in no way is intended to suggest or imply unsatisfactory performance of that unit member. A signed copy of that letter shall be given to the unit member.
- 4.480 Upon written request, a unit member affected by an involuntary transfer shall have the first right to return to the school or work location from which he/she was transferred, should such a vacancy exist.
- 4.481 Said right shall not exist beyond the school year following the year in which the involuntary transfer took place.
- 4.482 Should the unit member still desire to be returned to the previous position, the written request shall be reviewed and first consideration shall be given to the transferee.
- 4.483 Unit members shall not be involuntarily transferred in two (2) consecutive school years.
- 4.484 The priority order for return is to be based first on seniority in the District, then on the items listed in Article 4.432, and in the event of a tie following the application of these two criteria, the priority is to be determined by lot.

ARTICLE 4: **TRANSFERS – continued**

- 4.490 a. Teachers who are involuntarily transferred shall be eligible upon request for up to 12 hours at the miscellaneous hourly rate to effect the transfer. Up to an additional 4 hours at the miscellaneous hourly rate may be granted at the discretion of Human Resources.

The Superintendent or designee shall handle such requests. The District shall provide assistance from non-teacher personnel for packing and transporting supplies and materials of the unit member.
- c. When an involuntary transfer takes place transferring a unit member from secondary to elementary or elementary to secondary, the District will provide for additional non-student days for the unit member in order to take advantage of inservice opportunities, as mutually determined by the District and unit member.
- d. Change of Assignment during the School Year
- Unit members who are involuntarily reassigned to a different classroom, different teaching assignment, or whose student assignment undergoes a significant change (i.e.: 30% or more of class composition is new to the teacher) at the same school/worksite during the school year shall be granted, upon request, two (2) days release time to effect the change. The unit member may be given 12 hours at the miscellaneous hourly rate to effect the change in lieu of the two (2) days release time. The District shall provide assistance from non-teacher personnel for packing and transporting of the materials of the unit member, equipment, books and supplies. The use of such time shall be arranged with the building principal.

4.500 Administrative Transfer

- 4.510 A transfer may be made by the District for any of the following reasons:
- 4.511 To provide opportunity to evaluate a unit member in a different school or location subsequent to an overall unsatisfactory evaluation;
- 4.512 To improve learning conditions;
- 4.513 To enhance betterment of the school/District.
- 4.520 Unit members, who are administratively transferred at the beginning of, or during, the school year, shall be granted upon request, at least two (2), or as many as three (3), school days released time to effect the change. The Superintendent or designee shall handle such requests. The District shall provide assistance from non-teacher personnel for packing and transporting supplies and materials of the unit member.
- 4.530 When an administrative transfer takes place transferring a unit member from secondary to elementary or elementary to secondary, the District will provide for additional non-

6.200 The work day for part-time unit members shall be determined on a prorated basis.

6.300 Unit members who are elementary teachers shall observe a work day which is uniform at each elementary school work site, except that individual unit members may voluntarily arrange with the site administrator a preparation period in the morning portion of the work day. This determination shall include the specific dates and times of meetings for that year. Off-schedule meetings may be conducted in unusual situations determined by the site administrator. Meetings shall be conducted in an orderly manner utilizing a written agenda for the meeting.

- 6.621 Counselors and media specialists shall have conference periods the same as regular classroom teachers.
- 6.622 It is mutually recognized that unanticipated enrollment after the beginning of a semester may require adding additional teaching periods to resolve staffing and other related class size problems.
- 6.623 The District agrees the secondary conference period, as defined in Article 6, shall only be utilized upon determination by the Superintendent or designee, with prior notification and discussion with OUEA, that reasonable efforts have been made to resolve staffing problems by consideration of alternatives listed in 6.624 below.
- 6.624 There shall be a priority order for adding additional periods to a master schedule based on Article 6.622 above. Within a specific subject area, the following alternatives would be considered in the order presented:

- 6.800 Substitute teacher time, as available, may be provided to release unit members to participate in District-approved innovative instructional programs.
- 6.900 Unit members will not be required to record, on a daily basis, their exact time of arrival at and departure time from the work site; except, however, in cases of observed chronic lateness of arrival or early departure, such unit members can be required to indicate to the site administrator the exact time of arrival at and departure from the work site.

6.1010 At elementary schools, instructional time as set forth below shall be extended on Monday, Tuesday, Thursday, and Friday to allow for early dismissal on every modified Wednesday. The modified Wednesdays provide staff with extended preparation time to be used in a way that is consistent with Article 6.610. - A. 1st and 4th Instructional Wednesday of each month: Grade level or group collaboration regarding follow-up to previous professional development as well as planning for instructional strategies to be used in the teaching process, review of student data, and curriculum planning with the focus of this time being determined through a site based process involving the school site staff and principal;

6.1011 The schedule for elementary modified days for each school year is to be determined by the modified day committee (6.1030) subject to the parameters described in Articles 6.1012 through 6.1017 below, and for the purposes consistent with Article 6.610 described in A-D below. Should the committee not agree on the schedule for elementary modified days for any school year, the schedule for that school year will revert to the original schedule contained in 6.1010 A-C above..

C. Professional development time as determined by the District.

D. Parent conferences during a scheduled week of parent/teacher conferences.

*Note that for Article 6.1015, the modified day committee may agree to stagger the implementation of items B and C by school so that approximately half of the schools on one modified Wednesday may be scheduled for item B, while the other half is scheduled for item C, and then visa versa for another modified Wednesday so the net effect is that each school will have one B and one C during a month which includes three (3) instructional Wednesdays.

6.1020 At secondary schools, instructional time as set forth below shall be extended on a daily basis to allow for late start or early release days. This extension will allow each middle and high school to be able to provide for a regularly scheduled block of professional development time. The schedule for each secondary school's late start or early release days is to be determined by a site based process facilitated by the principal.

6.1030 A modified day committee composed of up to eight (8) members, with four (4) members appointed by the District and four (4) members appointed by the Association, is established to meet periodically to address and review the modified days for elementary and secondary. The parties further agree that in the event there is only one pre-instruction workday prior to the start of instruction, while it is desirable that unit members have a full day for classroom preparation, a site administrator may schedule a staff meeting, which shall under no circumstances exceed one (1) hour in length. ARTICLE 7: **EVALUATION PROCEDURES/PERSONNEL FILES/PUBLIC COMPLAINTS**

7.100 All unit members shall be evaluated by a principal, assistant principal, immediate supervisor, or a person with line responsibility who is assigned by the Superintendent or designee to conduct an evaluation. In cases where a unit member is assigned more than one work site, an official evaluator shall be designated by the Superintendent or designee prior to the first day of student attendance.

7.120 No member of the bargaining unit shall effectively evaluate another unit member, except as appropriate in extracurricular activities.

7.200 Frequency

The evaluation and assessment of the performance of unit members shall be made on a continuing basis. Each school year one half of the tenured unit members chosen initially by lot shall be subject to the formal evaluation procedures set forth in this article. The remaining tenured employees may be informally observed in the non-evaluation year and will be formally evaluated in the subsequent year. Notwithstanding the above, any unit member receiving any “unsatisfactory” or “needs improvement” subcategory rating may be required to be formally evaluated each year. In addition, any unit member new to the school or work site due to voluntary transfer, return from any leave of absence will be evaluated their first year at that school or work site. In addition, any unit member new to the school or work site due to involuntary or administrative transfer, or return from leave of absence will be evaluated their first year at that school or work site at the discretion of the administration. Nothing in Article 7 shall be construed to limit the provisions set forth in Article 8 or the right of principals to document performance concerns observed during a non-formal evaluation year.

Evaluations shall be at least every five years for personnel who qualify based on all of the following requirements:

1. Personnel with permanent status;
2. Who have been employed at least 10 years with the District;
3. Are highly qualified, if those personnel occupy positions that are required to be filled by a highly qualified professional by the Federal No Child Left Behind Act of 2001 (or its replacement regulations as applicable);

5. The evaluator agrees;
6. The certificated employee being evaluated agrees.

The certificated employee or the evaluator may withdraw consent at any time.

Any employee may, upon receipt of their evaluation, note in writing any circumstances that may have adversely affected the outcome of his/her evaluation which shall be attached to the formal evaluation.

The sequence of evaluation shall be set forth in the schedule below:

It shall be the task of the committee to report its recommendations, including the format of the observation/evaluation instruments, to the District and to OUEA for final approval and signatures by the Assistant Superintendent, Human Resources for the District and the President of OUEA by May 15 of a school year so that the recommendations may be considered for implementation in the following year.

All formal observations shall be at least thirty (30) minutes duration. Observations of less than thirty (30) minutes shall be considered informal observations. A conference will be conducted by the evaluator with the unit member within a reasonable period of time following the formal observation. As soon as possible the unit member will be given a written summary of the conference and/or observation. The unit member may request an Association representative to be present at any evaluation conference likely to affect his/her job status.

7.500 Except in cases of emergency, failure on the part of the evaluator to comply with the evaluation time limits specified will result in the elimination of the final evaluation form from placement in the personnel file.

7.600 Unit members with permanent status shall not receive an overall needs improvement or unsatisfactory rating unless prior written notification of a need for improvement has been given to the unit member. Once written notification of a need for improvement has been given, unit members with permanent status shall have a period of thirty (30) calendar days to remediate the area(s) of concern. Only formal evaluations conducted according to this Agreement may be kept in the personnel file.

7.700 Personnel Files

7.710 Materials in the personnel files of unit members, which may serve as a basis for affecting the status of their employment, shall be made available for the inspection of the person involved. Upon request, unit members shall have the right to obtain a copy

- 7.711 Unit members shall have the right to inspect such materials upon request, provided that the request is made at a time when such unit member is not actually required to render services to the District.
- 7.712 A unit member may have an Association representative present when inspecting the personnel file or may authorize in writing an Association representative to review the file.
- 7.713 Information of a derogatory nature shall not be entered or filed unless and until the unit member is given notice and an opportunity to review and comment thereon. A unit member shall have the right to enter, and have attached to any such derogatory statement, his/her own comments thereon. Such review shall take place during normal business hours and the unit member shall be released from duty for this purpose without salary reduction.
- 7.714 Inappropriate Materials

If the employee believes that material to be placed in his/her file is inappropriate or in error, the employee may receive adjustment, provided cause is shown by mutual agreement with the principal/supervisor or through the grievance procedure, whereupon, the material will be corrected or expunged from the file.

- 7.715 Unit members may request that material(s), other than confidential placement information, which are four (4) years old or more, be removed from the personnel file. Said request shall be granted to the extent that the request is compatible with the existing State Law.

Unit members wishing such documents removed shall submit a written request to the Superintendent or designee identifying the documents by including:

- 1) Type of document; e.g., memo, letter, evaluation, etc.
 - 2) Date of origination
 - 3) Name of originator
 - 4) Any other identifying information not later than the day following receipt of the request, the documents will be removed and forwarded to the unit member.

Such complaints shall be directed initially to the unit member's immediate supervisor with a copy to the Superintendent or designee.
- 7.820 A meeting of all concerned parties shall be scheduled at the request of the administrator, unit member or complainant to review a complaint made pursuant to Article 7.810 above. If the complainant refuses to attend the scheduled meeting, the complaint shall not thereafter be used to affect the evaluation of a unit member.
- 7.830 The unit member may make a written response to be attached to the written complaint.

ARTICLE 8: GRIEVANCE PROCEDURE

8.100 Definitions

A “grievance” is an allegation filed in writing on the appropriate form (Appendix F) by a unit member regarding a violation or misapplication of the specific provisions of this Agreement. Actions to challenge or change the policies, regulations or matters outside of the Agreement are not within the scope of this procedure, and review shall be taken under separate processes.

A “day” is a day in which the unit members are scheduled to work as set forth in this Agreement. The “immediate supervisor” is the lowest level administrator having immediate jurisdiction over the grievant and who has been designated by the District to adjust grievances.

A “grievant” is any unit member covered by the terms of this agreement and/or the Association, when filing on behalf of specifically named unit members who qualify as grievants. Association grievances shall be filed by the President of the Association or his/her designee(s).

8.200 Procedure

8.210 Level I

Within twenty (20) days of when the grievant knew or reasonably should have known of the act or omission which gave rise to the grievance, the grievant must present such grievance in writing on the appropriate form (Appendix F) to the immediate supervisor.

The grievance shall consist of a clear concise statement of the problem, the provision of the Agreement involved, and the specific remedy sought.

The supervisor shall communicate a decision in writing within five (5) days after receiving the grievance. Within the above time limit, either party may request and receive a personal conference with the other party.

8.220 Level II

If the grievant is not satisfied with the decision at Level I, within five (5) days after receipt of the Level I response, the grievant may appeal the decision to the next level on the appropriate form (Appendix F).

The Superintendent or designee shall communicate in writing a decision within ten (10) days after receipt of the appeal. Within the above limit, either party may request and receive a personal conference with the other party.

8.230 Grievance Mediation

If the Association is not satisfied with the disposition of the grievance at Step 2, or if no written decision has been received from the District within the time limits prescribed in Step 2, the Association may request to submit a grievance to mediation.

- a. The Association must notify the District in writing within ten (10) working days of the conclusion of Step 2 of the Association’s desire to refer the grievance to mediation. The District shall respond to the Association whether or not the District

ARTICLE 8: **GRIEVANCE PROCEDURE – continued**

agrees to the mediation of the grievance no later than five (5) working days after receipt of the Association's written request.

- b. Within five (5) working days following the agreement of the District and the Association to mediate the grievance, the Association shall notify the State Mediation and Conciliation Service (SMCS). SMCS shall schedule a mediation conference at the earliest possible date. Mediation conferences will take place at a mutually convenient location and time.
- c. The mediator will have the authority to meet separately with either party, but will not have the authority to compel the resolution of a grievance.
- d. The presentation of facts and considerations shall not be limited to those presented at Step 2 of the grievance procedure. Proceedings before the mediator shall be informal in nature. There shall be no formal evidence rules. No transcript or record of the mediation conference shall be made, except in the event that a mutually agreed upon settlement is reached. Any settlement offers made by either party during the grievance mediation process shall not be referenced, either directly or indirectly, in any subsequent arbitration proceeding involving the instant grievance.
- e. Unless the parties agree otherwise, the mediator shall not serve as the arbitrator should the grievance proceed to Level III of the grievance process.
- f. Written material presented to the mediator shall be returned to the party presenting that material at the termination of the mediation conference, except that the mediator may retain one (1) copy of the written grievance to be used solely for the purposes of statistical analysis.
- g. The fees and expenses of the mediator and the Administrative Office shall be shared equally by the parties.

8.240 Level III

If not satisfied with the decision in Level II, the grievant, within five (5) days after receipt of the Level II response, may request in writing that the Association submit the grievance to arbitration.

The Association, by written notice to the Superintendent or designee within fifteen (15) days of the Level II response, may submit a grievance to an arbitrator who shall be selected by mutual agreement. If no agreement can be reached within five (5) days of the notice, the parties shall request of the State Conciliation Service a list of five (5) names of persons experienced in hearing grievances. Each party shall alternately strike a name until only one name remains. The order of strike shall be determined by lot.

In each dispute, the arbitrator shall, as soon as possible, hear evidence and render a decision on the issue(s) so submitted. If the parties cannot agree upon a submission agreement, the arbitrator shall determine the issue(s) by referring to the written grievance and the answers thereto at each step. After hearing, and after both parties

ARTICLE 8: GRIEVANCE PROCEDURE – continued

have been given the opportunity to make written arguments, the arbitrator shall submit the findings and recommendations. The recommendations and awards shall be final and binding upon the parties in issues involving the grievance procedure herein. Under no circumstances does the arbitrator have the power to render a final and binding award that would constitute a payment by the District where the specific amount or the impact would exceed a total of \$45,000 annually, nor shall such an award be enforceable through any agency proceedings or through a court of law.

The arbitrator will have no power to add to, subtract from, or modify the terms of the Agreement or the written policies, rules, regulations and procedures of the District; nor shall the arbitrator be empowered to render a decision on issues not before the arbitrator or on facts not supported by the evidence.

The fees and expenses of the arbitrator and each hearing shall be borne equally by the District and the Association. All other expenses shall be borne by the party incurring them.

If any question arises regarding the arbitrability of a grievance, the party raising the question of arbitrability may, upon request, have such question first ruled upon and decided by an arbitrator prior to any other hearing on the merits of the grievance which would thereafter be conducted by a second and different arbitrator. The fees and expenses of the separate arbitrator deciding the issue of arbitrability shall be borne by the party who raised the question of arbitrability.

8.300 Miscellaneous Provisions

- 8.310 Nothing contained herein will be construed as limiting the right of any unit member having a grievance to discuss the matter with any appropriate member of management and to have the grievance resolved without intervention or presence of/by the Association, provided that the resolution is not inconsistent with the terms of this Agreement and provided further that prior to any agreement on the resolution, the Association has been given ten (10) days in which to study the issues and to state its views.
- 8.320 In the event a grievance is filed at such a time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and if left unresolved until the beginning of the following school year could result in harm to a grievant, the time limits set forth herein will be reduced so that the procedure may be exhausted prior to the end of the school year or as soon as practicable.
- 8.330 If the District management fails to respond in writing to the grievance within the specified time limit, the grievant has the right to process the grievance at the next level. If the grievant does not process the appeal within the given time limits, the grievance shall be considered as settled and the grievant cannot thereafter grieve the issue(s) again. The time limits specified at each level should be considered maximums and every effort should be made to expedite the process. The time limits, however, may be extended by mutual agreement.
- 8.340 Every effort will be made by the parties to settle grievances at the lowest possible level.

ARTICLE 8: **GRIEVANCE PROCEDURE – continued**

- 8.350 No reprisals of any kind will be taken by the District against any grievant, any party in interest, or any other participant in the grievance procedure, by reason of such participation.
- 8.360 The processing of a grievance beyond Level II shall constitute an express election on the part of the grievant and the Association that the grievance/arbitration procedure is the sole and chosen forum for resolving all the issue(s) contained in the grievance.

For this purpose, the parties agree that the alternative annual average class size per school site for grades K-3 may not exceed 35:1. For grades K-3 the District will utilize the staffing ratio stated in 9.110 above.

ARTICLE 9: **CLASS SIZE/TEACHING LOAD/WORKLOAD – continued**

2. The instructional area in which a teacher instructs will have a space for storage of the regular instructional supplies.
3. A clean and appropriately heated room will be provided as a staff lounge at each school site. Such room shall be cleaned by the custodial staff.
4. Each unit member will be provided with a serviceable desk and chair for the unit member's exclusive use.
5. Each school site will have restrooms which are clean, well-lighted, appropriately heated, separate for each sex and separate from pupil's restrooms.

Such work location shall provide the needed privacy for special services unit members to carry out their responsibilities.
9. All teachers will have access to hot water and/or disinfectant soap.
10. All teachers will have access to drinking water.

13.400 Nothing in this Article will prevent or limit the unit member from having access to the provisions of Article 5.

ARTICLE 13: **PROFESSIONAL WORKING ENVIRONMENT – continued**

13.500 The District shall maintain Board Policy 4119.24 as set forth below:

Academic Freedom

The Orange Unified School District seeks to educate young people in the democratic tradition, to foster a recognition of individual freedom and social responsibility, to inspire meaningful awareness of and respect for the Constitution and the Bill of Rights, and to instill appreciation of the values of individual personality. It is recognized that these democratic values can best be transmitted in an atmosphere which is free and open for inquiry and learning.

Teachers are expected to follow the adopted curriculum of the District. Teachers shall have the right and responsibility to present material concerning facts and concepts relating to this curriculum as long as the material is approached in an impartial and unprejudiced manner and in accordance with District policies and administrative regulations.

The Board recognizes that teachers have those constitutional rights accorded all citizens, including, but not limited to, freedom of speech, freedom of the press, freedom of assembly, and the right of due process.

ARTICLE 14: JUST CAUSE/DISCIPLINE OF EMPLOYEES

Intermediate Discipline

- 14.100 The District and the Association recognize that there may be incidents or situations involving an employee in which it is appropriate and necessary for the District to implement some form of discipline, including suspension. The District and the Association support the initial use of means short of disciplinary suspension to correct or respond to an employee's conduct. The following procedure is intended to establish a fair process which recognizes the right of the District to appropriately discipline employees while also recognizing the right of employees to be subject to discipline only upon a showing of just cause.
- 14.200 Progressive discipline may include but need not be limited to verbal warnings, written warnings and letters of reprimand. A unit member receiving a written warning or a letter of reprimand shall have the opportunity to respond in writing within ten (10) working days from the receipt of the written warning or letter of reprimand. The unit member's written response, if any, shall be attached to the District's written warning or letter of reprimand and become a permanent part of the warning or letter of reprimand.
- 14.300 The use of the provisions in the article are not intended to be used in lieu of the evaluation procedures set forth in Article 7 – Evaluation Procedures.
- 14.400 Nothing in the Article shall limit the District's right to institute statutory dismissal proceedings and/or institute an immediate suspension or mandatory leave of absence in accordance with Education Code Sections 44939, 44940, 44942, or any other applicable Education Code provision.
- 14.500 This Article shall not confer any rights upon temporary teachers or probationary teachers released or non-reelected pursuant to applicable provisions of the Education Code.
- 14.600 A unit member may be suspended, without pay, for up to fifteen (15) days for just cause. The principles of progressive discipline shall be applicable unless the circumstances, as determined by the District, make prior warnings unnecessary. When a unit member is to be suspended without pay, the District shall adhere to the following procedure:
- 14.610 The District shall notify the unit member in writing of any proposed suspension without pay.
- 14.620 The notice shall contain a specific statement of act(s), infraction(s), or omission(s) upon which the disciplinary action is based, the proposed length of the unpaid suspension, and a statement of any rules, regulations, or statutes the unit member is alleged to have violated.
- 14.630 The unit member shall have five (5) working days from receipt of the notice to request a meeting with a Human Resources Administrator. If the unit member does not request such a meeting, the District may schedule and impose the suspension without pay and shall provide written notice to the unit member of the imposition of unpaid suspension. If a unit member fails to request a meeting with

a Human Resources Administrator; unit member waives the right to challenge his/her unpaid suspension through the grievance procedure.

- 14.640 If requested the unit member has the right to be represented by the Association at the meeting with a Human Resources Administrator. At the meeting with a Human Resources administrator, the unit member shall be given the opportunity to present a response to the notice and allegations contained therein.
- 14.650 A Human Resources Administrator shall inform the unit member and the Association within five (5) working days from the date of the meeting with a Human Resources Administrator as to whether or not the unit member is to be suspended without pay.
- 14.660 For a suspension of 1-10 days, the unit member who requested a meeting with a Human Resources Administrator pursuant to Article 14.630 shall be given the opportunity to appeal the suspension. The unit member may appeal the suspension by requesting a meeting with the Superintendent or designee within five (5) working days from the response to the meeting with a Human Resources Administrator as described in Article 14.650. For a suspension of 1 – 10 days, the decision of the Superintendent or designee shall be final and binding.
- 14.670 A unit member who is suspended without pay for 11-15 days may appeal the decision of a Human Resources Administrator by filing a grievance pursuant to Article 8 – Grievance Procedure within five (5) working days after receipt of the decision by a Human Resources Administrator.
- 14.700 The provisions of this Article shall in no way interfere with the right of the District to remove a unit member from work location to which he/she is assigned, to reassign a unit member and/or place the unit member on paid leave.

ARTICLE 15: MISCELLANEOUS PROVISIONS

15.100 Concerted Activities

15.110 The Association, officers, agents, or members will not strike, engage in work stoppage, slowdown, or picketing in furtherance thereof, to comply with the request of other labor organization(s) to engage in such activity, nor engage in any unlawful interference with the operation of the District.

15.120 It is agreed and understood that any bargaining unit member violating this Article may be subject to discipline up to and including replacement or termination.

15.130 The Association recognizes the duty and obligation of its representatives to comply with the provisions of this Agreement, and to make every effort toward inducing all bargaining unit members to do so.

15.140 This provision shall not apply to the period following factfinding during the reopening of the negotiations process.

15.200 Completion of Negotiations

The Association and District expressly waive and relinquish the right to meet and negotiate, except as provided in this Agreement, and agree that the parties shall not be obligated to meet and negotiate with respect to any subject or matter, whether referred to or covered in this Agreement or not, even though such subject or matters may not have been within the knowledge or contemplation of either or both the parties at the time they met and negotiated on and executed this Agreement, and even though such subjects or matters were proposed and later withdrawn.

The District shall post the changes agreed upon in this agreement on the District website within ninety (90) days of ratification.

15.300 Savings Provisions

If any provision of this Agreement or any application of this agreement to any unit member or group of unit members is held to be contrary to law by a court of competent jurisdiction, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect until otherwise modified. If the court's decision pertains to salary and/or health and welfare benefits for either current employees, retired unit employees, or any other bargainable issue, then negotiations shall commence within 10 days of the court's decision.

15.400 The District will amend its written policies and procedures and take such other action by resolution or otherwise as may be necessary to give full force and effect to the provisions of this Agreement. In cases of conflict, this Agreement shall be read to prevail over existing policies and practices of the District.

ARTICLE 15: **MISCELLANEOUS PROVISIONS – continued**

15.500 Reopening of Negotiations

15.510 The parties agree to open negotiations upon notification by the Association for the succeeding contract.

15.600 Contract Waiver

15.610 When the school site proposes to implement changes, policies, and/or programs that are in conflict with the collective bargaining agreement between the District and the Association, a representative from the school site and the principal or designee will inform the Assistant Superintendent, Human Resources and the Association of the proposal in writing. The proposal seeking a contract waiver should be submitted to the District and the Association by March 1 for implementation for the following school year.

15.620 If the District and Association have no objections to the proposal, then the District and the Association will prepare a secret ballot for all bargaining unit members at the affected site to express their opinion on the proposal. If there are objections, then a conference will be held to attempt to resolve the outstanding issues.

15.625 The secret ballot will contain the following information:

- a. Applicable Agreement section(s)
- b. Rationale for the proposal
- c. A specific time period for the proposal

15.630 The District and the Association shall be jointly responsible for formulating the questions. The Association should conduct the balloting by May 15, with provisions made that “off track” bargaining unit members have the opportunity to participate in voting, and for conducting the ballots. The proposal must be approved by 2/3 of the bargaining unit members who actually vote.

15.640 When a school site and the principal desire to renew the waiver, the District and the Association should be notified by March 1. A secret ballot vote will be conducted to approve the renewal in accordance with sections 15.620 – 15.630.

15.650 Bargaining unit members who disagree with the waiver can apply for a transfer per Article 4 collective bargaining agreement.

ARTICLE 16: **SHARED CONTRACT**

- 16.100 Bargaining unit members who request to share one teaching position/benefit package shall be eligible to apply for shared contracts. The application process shall include: principal's approval, a specific calendar/teaching schedule, division of responsibilities and duties, and benefit package designation.
- 16.200 In the event that one partner in the shared contract is unable to fulfill her/his commitment to the agreement, the remaining partner and the site principal shall work together to make arrangements which are mutually agreed to by the principal and the remaining partner. However, when no suitable replacement is obtainable, the remaining partner shall assume the full-time position. Upon assumption of the full-time position, her/his employment status shall be changed appropriately.
- 16.300 Written, signed partnership contracts shall be entered into for periods of one year. These contracts may be renewed annually with the approval of the principal and the Human Resources Office.
