## OUEA Bargaining Update

May 30, 2023

The OUEA bargaining team and the District gave counter proposals to Article 6 (Hours), Article 9 (Class Size/ Teaching Load/ Workload), and the Appendices (Extra Pay). Although we looked forward to more agreements, not much progress was made today. Counter proposals will be presented at our bargaining session next week.

Compensation (salary) is a top priority. The OUEA bargaining team continues preparing for the upcoming discussions with the District regarding salary. Please keep following our updates for the latest news regarding bargaining and compensation.

As this school year is rapidly coming to an end, we do not anticipate reaching a tentative agreement by June 9th. Remember, **we have already settled and agreed to a contract for this current 2022/2023 school year.**

We value and appreciate your input; please email us your questions or comments at [bargaining@ouea.org](mailto:bargaining@ouea.org).

## Next Bargaining Session: Tuesday, June 6, 2023
