

CURRICULUM COMPACTING

A STRATEGY FOR
"RESPONSIVE TEACHING"

- Do you have students that have advanced familiarity with content you are about to teach?
- Do you have students who consistently finish their work early and it's correct and well done?
- Do you have students with consistent high performance on assignments, tests, or projects?

If you answered "YES" to any of these questions, then curriculum compacting is a training for you to attend.

- Teachers will attend 2 training sessions: November 29th and February 19th
- Trainings will take place at the OUEA office from 3:30-5:00 p.m.
- Teachers will be paid: hourly rate of \$41.71

Please RSVP to: <http://bit.ly/curriculumcompacting>
by: November 9th

If you have any questions, please contact Karin Barone, your OUEA Curriculum and Instruction Committee chair: kbarone@orangeusd.org
