OUEA Bargaining Update

March 22, 2024

Fighting for our members and our contract continues!

The Bargaining Team and the District met today for the SIXTEENTH time to continue negotiations which began in April 2023. Counter proposals were shared on Appendices and Article 2 (Compensation).

The Bargaining Team continues to work tirelessly for the best contract possible. We always take into account our surrounding districts and their settlements, our district reserves, and what the District can afford. We continue to push and pursue negotiating until we can walk away from the table confident we have served our members and reached an agreement we are satisfied with.

The Bargaining Team appreciates your support! Please see our call to action attached in this email for your next step.

Next Negotiation session will be on

Friday, April 12, 2024
